

SESSION 7: ABIDING IN JESUS

There are numerous theories and speculations about what happens at the end of time. One of the best ways to keep our eyes and hearts on Jesus in the midst of all these ideas is to simply read the Scriptures. Try playing around with this idea:

- Each day for a week, reread Revelation 21 and 22 from your *Jesus-Centered Bible*.
- On Tuesday, read the “Reframing Jesus” sidebar on page 1337.
- On Thursday reflect on the Jesus Question on page 1338.
- Write your thoughts down in a journal or some other form of permanent record.
- Share your notes and thoughts with a trusted friend or spiritual mentor.
