

SESSION 6: ABIDING IN JESUS

Being a part of the church includes interacting with other Christians, which can be one of the most challenging aspects of following Jesus. Consider your place in the community of Jesus by taking these steps:

A. Read these passages from the Bible:

- Psalm 133
- Ephesians 4:1-16
- Colossians 3:12-17
- Hebrews 10:23-25

? What do you find attractive about Christian community as described in these passages? How do you sense the heart of Jesus behind these descriptions?

? Scan these passages again and count the number of times the word “love” appears. What’s love got to do with Christian community?

B. Reflect on this definition of community: Engaging with other disciples in common activities that sustain our life together and enlarge our capacity to experience more of God.

? Where do you find Christian community? Or are you still searching?

? What are some “common activities” you think would be fun to explore in order to help you experience more of God?
