## *Understanding how God is using my SHAPE in this ministry role*

- The degree to which my **S**piritual gifts are being utilized:

NOT AT ALL	STILL CONFUSED, BUT I THINK SO	SEEING THEM USED SOMEWHAT	PLEASED WITH USE OF MY GIFTS	GREAT!
/---0----- 1 ----- 2 ----- 3----- 4 ----/				

- The degree to which my **H**eart—my passion—is connected to this ministry role:

NOT AT ALL	STILL CONFUSED, BUT I THINK SO	SEEING IT CONNECTED SOMEWHAT	MINISTRY CLEARLY CONNECTED	GREAT!
/---0----- 1 ----- 2 ----- 3----- 4 ----/				

- The degree to which my **A**bilities are being used:

NOT AT ALL	STILL CONFUSED, BUT I THINK SO	SEEING THEM USED SOMEWHAT	PLEASED WITH USE OF MY ABILITIES	GREAT!
/---0----- 1 ----- 2 ----- 3----- 4 ----/				

- The degree to which my **P**ersonality is being expressed:

NOT AT ALL	STILL CONFUSED, BUT I THINK SO	EXPRESSING IT AT TIMES	EXPRESSING IT WELL	GREAT!
/---0----- 1 ----- 2 ----- 3----- 4 ----/				

- The degree to which my **E**xperiences are having a positive influence:

NOT AT ALL	STILL CONFUSED, BUT I THINK SO	SEEING THEM USED SOMEWHAT	PLEASED WITH THE VALUE THEY BRING	GREAT!

■ Overall, I'd say that my **SHAPE** is being expressed in this ministry role:

NOT AT ALL	STILL CONFUSED, BUT I THINK SO	SEEING IT USED SOMEWHAT	PLEASED	GREAT!

If any of your answers was less than “Great!” please take a moment to reflect on the following possibilities:

- I need to explore a different ministry area, one that better fits my SHAPE. This is not about issues with ministry leadership or relationships.
- I need to find a different role within this ministry. I have passion for this ministry and believe it’s the right area for me to serve in. Here’s what else I’d love to explore within this ministry:

\_\_\_\_\_

- I believe other things besides SHAPE are affecting my attitude, my sense of “being present,” my ability to “make their day,” and my level of fun. Other things are preventing fulfillment (check any that apply):
  - My spiritual journey needs attention. I need to seek God personally about my relationship with him.
  - My relationships with family or friends are interfering with my ability to give what I want to this ministry right now.
  - Issues with work, school, or other time demands are pulling me in directions that I’m not managing well in conjunction with this ministry role.
  - I don’t feel I’ve connected with people on this team the way I would like to.
