AT HOME

Let's get started!

WEEK 10

Thank you so much for bringing your baby to church today! You can also help your child grow this week by playing and praying at home.

## Your Baby Learned that God Made Our world

One of the most important things a baby needs to learn is that God made everything in our beautiful world. As babies learned about all the animals, trees, flowers, and more that God made, they also learned that God made them and they're very special!

## Sing This Song with your Baby

### "I'm a Little Brown Puppy"

(Sing this song to the tune of "Buffalo Gals")

I'm a little brown puppy and God made me,  
God made me, God made me.  
I'm a little brown puppy and God made me.  
I'm as happy as I can be.

## Pray with your Baby

Thank you, God, for making puppies and making us. In Jesus' name. Amen.

Let's sing!

### Did you Know?

Scientific evidence shows that love, attention, and affection in the first years of life have a measurable effect on a child physically, emotionally, and mentally. Hugs, touch, and smiles help your baby's brain grow!
