AT HOME

Let's get started!

WEEK 7

Thank you so much for bringing your baby to church today! You can also help your child grow this week by playing and praying at home.

## Your Baby Learned About Noah

One of the most important things a baby needs to learn is that God is watching over us. Babies learned that Noah listened when God told him to build the Ark, and then God kept Noah and all the animals safe when the big rain came. Babies also learned that God watches over them, too!

## Sing This Song with your Baby

### “The Ducks Waddled In”

(Sing this song to the tune of “The Farmer in the Dell”)

Noah built the Ark.  
Noah built the Ark.  
He built the Ark for safety,  
Yes, Noah built the Ark.

The ducks waddled in.  
The ducks waddled in.  
Noah put the ducks inside.  
The ducks waddled in.

Let's sing!

## Pray with your Baby

Dear God, thank you for taking care of the ducks and for taking care of us.  
In Jesus' name. Amen.

### Did you Know?

Babies are much more observant than adults. They need to pay close attention so they can learn how to have their needs met. Through observation, your baby is noticing that some behaviors cause joy and others bring displeasure.
