Let's get started!

WEEK 10

Thank you so much for bringing your baby to church today! You can also help your child grow this week by playing and praying at home.

## Your Baby Learned About Noah

One of the most important things a baby needs to learn is that God is watching over us. Babies learned that Noah listened when God told him to build the Ark, and then God kept Noah and all the animals safe when the big rain came. Babies also learned that God watches over them, too!

## Sing This Song with Your Baby

**“God’s Clouds Are Gently Raining”**  
(Sing this song to the tune of “Ring Around the Rosie”)

God’s clouds are gently raining,  
Raining, raining.  
God’s clouds are gently raining,  
Raining on the Ark.

## Pray with Your Baby

Dear God, thank you taking care of Noah, the animals, and us.  
In Jesus’ name. Amen.

Let's sing!

### Did you know?

Separation anxiety typically appears first around 8 months, when babies realize their parents exist apart from them. You can help your baby by keeping your goodbyes short and exhibiting confidence so your baby senses you're comfortable about leaving.
