Let's get started!

WEEK 12

Thank you so much for bringing your baby to church today! You can also help your child grow this week by playing and praying at home.

## Your Baby Learned About Noah

One of the most important things a baby needs to learn is that God is watching over us. Babies learned that Noah listened when God told him to build the Ark, and then God kept Noah and all the animals safe when the big rain came. Babies also learned that God watches over them, too!

## Sing This Song with your Baby

### “Tell Me, Dear Noah”

(Sing this song to the tune of “Twinkle, Twinkle Little Star”)

Tell me, dear Noah, tell me do.  
What has God our Maker done for you?  
God sent the sunshine and stopped the rain.  
And made a pretty rainbow today.  
Tell me, dear Noah, tell me do.  
What has God our Maker done for you?

Let's sing!

## Pray with your Baby

Thank you, God, for everything you do for us. In Jesus' name. Amen.

### Did you know?

Play is vital to babies' physical, mental, social, and emotional development. It's babies' way of learning about their bodies and the world. And babies use all five senses to do it.
