AT HOME

Thank you so much for bringing your child to church today! You can also help your child grow this week by playing and praying at home.

Let's get started!

## Your Child Learned "God Made the World"

Your preschooler learned that God created the world—night and day, sky and land, sun and moon, trees and flowers, birds and fish, and all the animals. More important, children learned that God created all of us—and loves us! (Genesis 1:1–2:4)

## Sing This Song with Your Child

### Bigger Than Big

God, you made our big blue sky.  
You made the oceans, deep and wide.  
God, you made the trees so tall,  
And your love is bigger than it all.

God, you're bigger than big,  
Stronger than strong.  
Yeah, you're mightier than mighty,  
And louder than this song!

## Pray with your Child

Thank you, God, for creating everything in our world, and most of all, for creating us. We love you. In Jesus' name. Amen.

Let's sing!
