

Delivering Food, Shelter and Hope to the Poorest of the Poor

VBS Outreach Project

This week at CRAVE VBS, help your child turn a hunger for Jesus into love in action — feeding the poor, lifting up families and sharing the hope of Christ.

Healthy meals bring hope to children like Melany in Guatemala.

Every child knows what it feels like to be hungry — but for children living in poverty, it is often impossible to find relief. Hunger becomes a constant, nagging pain that can cause lasting issues. Without enough nutritious food, boys and girls struggle to grow, stay healthy and concentrate in school.

Our outreach project will help children discover that Jesus is the Bread of Life — the one who satisfies our deepest hunger. Working in partnership with Cross Catholic Outreach, your child will be able to put that lesson into action by providing nutritious meals to vulnerable families and communities in the name of our Lord.

Together, we will help your child live out what they're learning at VBS: when we are nourished by the love of Jesus, we are moved to share that love with others.

Please prayerfully consider having your child participate in this year's VBS outreach project. Every gift is an opportunity to remind a hungry child they are loved, valued and not forgotten. You can watch our VBS outreach video and give online at crosscatholic.org/vbs-outreach-project.

- Hunger is a global crisis affecting nearly 673 million people, and about 43 million children suffer from severe malnutrition.
- Last year, we sent more than 28 million protein-rich meals to children, the elderly and vulnerable families.
- Cross Catholic Outreach partners with trusted sisters, priests and lay ministries to bring nutritious food to those who need it most.

A gift of \$35 provides 500 nutritious Vitafood meals. Scan the QR code to learn more.

Our Promise to You!

Donations from this campaign will be used to cover any expenditures for this project incurred through June 30, 2027, the close of our ministry's fiscal year. In the event that more funds are raised than needed to fully fund the project, the excess funds, if any, will be used to meet the most urgent needs of the ministry.
